CIRCULATING THROUGHOUT THE VAST AGRICULTURAL AREA OF PALM BEACH COUNTY

BIDS TO BE OPENED NOV. 20 ON CANAL POINT, SIX MILE BRIDGES

Oct. 31 Is Set For Canal Point Party

Friday night, Oct. 31, has been set for the Annual Halloween party at Canal Point school, according to Mrs. R. T. Smith, president of the local Parent-Teacher Association. The party has been a great success in the past and local parents and teachers are expecting the same cooperation and success again this year. Various classes of the school will sponsor booths and many new stunts are being planned this year.

The food booth will be one of the outstanding affairs of the party, it was pointed out. Always there is a display of delectable foods, including pies and cakes, available for all comers.

Special prizes will be given again this year as in the past and a talent show will be another feature of the program. Last year the talent show gained wide acclaim and the PTA group is hoping that this year it will again be a huge success.

DuBose Talks To Garden Circle Group

W. M. DuBose, Pahokee commercial flower grower, was guest speaker at the October meeting of the Gardenia Circle held at the home of Mrs. Paul Rardin in Canal Point Tuesday afternoon.

Introduced by Mrs. Frank Wilson, program chairman, the speaker gave a talk on the growing of various kinds of flowering bulbs in the Glades area. Mrs. Wilson gave the club members some pointers on the propagation of amaryllis bulbs.

Mrs. A. R. Chastain reported plans are nearly completed for the benefit fashion show which the circle will sponsor in the high school auditorium Tuesday, Nov. 18, at 7:45 p. m. To date 22 local designers of women's wear have registered with the intention of displaying their designs in the show, she said. Mrs. Chastain is general chairman in charge of this project. She is being assisted by Mrs. R. T. Smith, tickets chairman; Mrs. O. H. Chastain, decorations chairman, and Miss Ann Brandes, publicity chairman.

It was announced the Nov. 11th meeting of the circle will be in the County Park community building, at 9:45 a. m., with Mrs. Joseph Rosenberg, president, and Mrs. Harold Rosenberg acting as co-hostesses.

Mrs. Frank Friend, president of the Pahokee-Canal Point Garden Club, was introduced as a guest. Mrs. Joseph Rosenberg presided.

Singers To Meet

The Everglades Singing Convention will meet at the Church of God in Belle Glade Sunday afternoon at 2:30 o'clock, according to an announcement by Babs Upthegrove, president of the group. He said several quartets will be in attendance.

Episcopal Group Opens New Vicarage

The Womens Auxiliary of St. Martin's Episcopal Church will hold an open house and reception at the vicarage adjoining the church in Clewiston Sunday afternoon October 26th from four to six.

The reception will honor the Reverend John Clarence Petrie and Mrs. Petrie, who recently moved into the newly completed vicarage. The Auxiliary extends a cordial invitation to all friends of the congregation to attend.

Schools To Receive History Replicas

It was announced at the meeting of Legion Post 90 Monday night that authentic replicas of the Declaration of Independence and the Constitution of the United States will be presented to the schools of Sand Cut, Canal Point, Pahokee, and the Pahokee Migratory camp.

These replicas are among the finest reproductions ever made of these famous documents. They have been produced in the original script on parchment, and have been aged by a special process so that they look, feel, and even smell more than 175 years old.

Complete sets of these, consisting of the full four pages of the Constitution of the United States and the Declaration of Independence will be given to the Pahokee High School, Canal Point Elementary School, and to each of the colored schools at Sand Cut, Pahokee and the Pahokee Migratory School.

Ixora Garden Club Met Tuesday P. M.

Mrs. Nola B. Smith was hostess to members of the Ixora Garden Circle at a meeting at her home Tuesday afternoon, with Mrs. C. M. Todd, president, presiding.

Mrs. C. L. Shirley was elected a delegate to represent the group at the District Six meeting of the Florida Federation of Garden Clubs to be held at the George Washington Hotel in West Palm Beach Nov. 8.

Mrs. Leo Maxwell gave a talk on "Day Lilies and Other Tropical Bulbs" and Mrs. Todd spoke on "Amaryllis, Iris and Gladioli."

Plans were discussed for the flower and plant sale to be held as a fund-raising project Nov. 21-22.

There was a plant exchange at the meeting and Mrs. Arch Blakey presented each member present with a blue iris bulb and a day lily bulb.

Luncheon Meeting

A program luncheon meeting will be conducted by the Pahokee Women's Club in the clubhouse Tuesday at noon, with Mrs. Don Hillier, president, presiding and the Americanism Committee to be in charge of the program.

AT LAST! Bids will be received by the State Road Department on Nov. 20 for TWO BRIDGES in the Lake Okechobee Region—one at Six Mile Bend and one at Canal Point. It is probable that bids will be sought later for the new bridges at South Bay and Lake Harbor.

Right-of-way for the four bridges has been in the hands of the State Road Department for many weeks, the county commission having certified the right-of-way in August, according to County Commissioner Paul Rardin.

The new bridge at Canal Point will be 36 feet wide with two walkways four feet in width. The south approach will come around the corner at Shack's Canal Point Machine Works. The bridge will be approximately 2½ feet lower than the present structure.

The south end of the bridge will be flared out in order to make approaching it from the Main street of Canal Point easier. The lift span in the center will be 30 feet in the clear. The bridge will look a great deal like the one at Congress avenue near West Palm Beach.

Tiger Cubs Whip Little Blue Devils

Coach Leland Keene's Junior High baby Blue Devils took a 25-7 clawing from Clewiston's Junior High Tiger Cubs on Lair Field Thursday night of last week. Keene's boys were unable to make any headway down the field until the last quarter when Donald Waddell broke through the Clewiston line for the Blue Devils' lone touchdown.

There are still two games on the Pahokee junior high football schedule. A return game with Stuart will be played on Lair Field Tuesday night, Oct. 28 and a return game with Belle Glade will be played there Thursday night, Nov. 6.

Sorority Will Aid Halloween Fete

Members of the newly organized Xi Pi Chapter of the Beta Sigma Phi Sorority at a meeting at the home of the president, Mrs. Glenn Abing, Thursday night of last week voted to participate in the PTA Halloween Carnival to be held on Lair Field Friday night, Oct. 31. Mrs. Paul Tillery was named chairman of the committee in charge of the chapter's activities at the carnival.

The group voted to prepare and send Christmas gifts to the patients at the Florida State Hospital in Chatahoochee.

Mrs. Rupert Mock and Mrs. J. T. Boynton were appointed to have charge of the chapter's audiometer training which will qualify members to test the hearing of children in the Pahokee-Canal Point area, this work to be one of the chapter projects. On the program Mrs. Clyde A. Canipe, guest speaker, gave a talk on "Using Your Leisure to the Best Advantage."

Amendments Are Explained To Club

The eleven proposed amendments to the Florida Constitution which will be voted on in the Nov. 4th election were explained to members of the Pahokee Lions Club by Ralph Johnson, city attorney, at the Tuesday luncheon meeting of the club.

The club completed plans to sponsor a benefit football game between Negro teams of Fort Myers and Belle Glade on Lair Field in November. Proceeds from this game will go into the fund for the Lions Christmas party for the children of the community.

Farm Bureau Will Elect Officers

The annual election of officers of the Everglades Branch of the Florida Farm Bureau will be held in the County Park community building at Canal Point Tuesday night, Oct. 28, according to Floyd Erickson, president.

M. U. Mounts of West Palm Beach, County agricultural agent, will be guest speaker. J. F. Waddell will present the program and J. A. Dulaney will report the recommendations of the nominating committee.

Preceding the business meeting there will be a family night covered-dish dinner, members to bring the foods in covered dishes and the Farm Bureau to furnish the barbecued chicken. On the committee in charge of the barbecue are Melvyn Pugh, Lloyd Hundley, Hilton Jones and Eugene Pickren.

Gardenia Circle In Regular Meeting

The Gardenia Garden Circle met at the home of Mrs. Inman W. Weeks Tuesday morning, with Mrs. George Ramey, co-hostess.

Mrs. Lloyd Hundley beautification chairman of the committee in charge of the park project, named Mrs. Carmen Salvatore, Sr., Mrs. G. C. McLarty, Mrs. John T. Pickett and Mrs. George Ramey on her committee to assist in the work of its development.

The group voted to again this year sponsor the sale of Christmas fruit cakes as a fund-raising project. Named on the committee in charge of this project were Mrs. F. M. Shaughnessy, chairman, Mrs. W. A. Keen, Mrs. G. C. McLarty, Mrs. Don Hillier, Mrs. Pickett and Mrs. Ramey.

On the program Mrs. Shaughnessy gave a talk on "Amaryllis Bulbs" and Mrs. Keen, "Calla Lilies."

The Florida State Advertising Commission has joined with transportation, power and other private firms to stress the fact that Florida is a year-round vacation land.

Delta, Eastern and National Airlines recently joined with the Railway Express in observing the 25th anniversary of air express.

Pahokee Carnival Offers Many Prizes

Plans have been completed for the annual Halloween Carnival to be held on Lair Field Friday evening, Oct. 31 under the sponsorship of the Parent-Teacher Association, for the enjoyment of Pahokee children according to Mrs. Roy Vandegrift, Jr., chairman of the PTA committee in charge of arrangements.

The parade of costumes, main attraction at the carnival, will start at 7 p. m. and \$5 cash awards will be presented to the three children dressed in the most original, the most beautiful and the most typical costumes in seven different groups of children, preschool age and first through seventh grades. Those contributing the cash prizes to the children include Mayor Lewis Friend, Unity Farms, Inc., Chastain Brothers Farm, Joe Hatton, Max E. Beverly, Everglades Growers Cooperative, Lake Okechobee Farmers Cooperative, W. H. Vann, Inc., B. A. Russell Co., Inc., Hull Packing Company and the Prince Theatre.

School groups planning to sponsor entertainment booths at the carnival include First Grade, fish pond; Third Grade, pony rides and dart games; Fourth Grade, motion pictures; Seventh Grade, chicken sandwiches; Sophomore Class, dart games; Junior Class, cake walk; Student Council, carnival king and queen contest.

Eight civic groups will also sponsor booths and concessions: The Band Parents Association, grave yard; Lions Club, hayride; Gowners' Club, homemade pies and coffee; Business and Professional Woman's Club, country store; Methodist Woman's Society of Christian Service, odds and ends and fortune-telling; Rotary Club, hot dogs and soft drinks; Boat Club, boat rides; Beta Sigma Phi Sorority, fire truck rides.

Each civic group will divide net proceeds with PTA and the group turning over the largest amount will receive a yearling steer as an award. The school group turning in the most in net proceeds will receive a \$25 cash award.

The new king and queen of the carnival, chosen by vote from candidates sponsored by the high school classes, will be crowned in an impressive ceremony by Neely Johnson, last year's king.

Mrs. Vandegrift will be at Lair Field all day Friday, Oct. 31, to assist any of the groups in their plans for setting up booths. Committee members assisting her are Mrs. J. T. Boynton, Mrs. Thomas Elliott, R. L. Brooks and Duncan Padgett.

Sugar Harvest May Start On Tuesday

After several postponements in launching the harvest of sugar cane by the United States Sugar Corp., Harry T. Vaughn, executive vice president and general manager, has announced that the work will get underway Oct. 29.

Cinematic Chatter

By Malcolm Millar

Hello everybody. Here's a little information on the lady who had a set of "gams" that made her one of the most popular movie stars in our time . . . Marlene Dietrich. Probably the only role Marlene will never play is the one of home owner . . . that is, in real life. On the screen, of course, the probabilities are that she will be asked to portray such a role. But it will be strictly professional, since the glamorous star not only has never owned a dime's worth of real estate in her life, but she seems to have a set determination to continue her property-less existence. Discussing the appalling desire to own houses, Miss Dietrich explained, "I like every much to move around, to see new places and meet new people. If you the yourself down with a mansion, you inevitably build a swimming-pool, then some tennis courts and finally have to add a guest house or two. Then suddenly you discover you are something like a slave to your surroundings." Too many possessions, Marlene believes, are hardly conducive to staying young, a theory which carries weight since the alluring blonde actress has enjoyed a screen career for twenty-one years. When making films in Hollywood she lives in a modest apartment just north of the famed Sunset Strip. In New York, she lives in a mid-town hotel, close to

Central Park. The location was decided upon for many reasons. Like any other proud grandmother, the beguiling star likes to take her grandchildren along the winding paths of the park. They are Michael 3, and Peter, one. Year's as a top-flight star have brought accumulations of possessions, of course, but they are stored in New York, Los Angeles, London, and Paris warehouses. "I cannot spend time thinking of the past," the lovely Marlene insists, "when there is so much to keep one occupied now and in days to come." See you at the movies—Mal.

Research Workers Visit Canal Point

The following foreign research workers under the auspices of the 4-Point Program visited the Federal Sugar Cane Breeding Station and other points in the Everglades last week: Frederico Peck, National Center of Agriculture, Comayagua, Honduras, Central America, his main interest being cattle and pasture improvement; Miguel Angel Flores, member of the Sugar Cane Section of the National Center of Agronomy, San Tecla, El Salvador, Central America, his main interest being sugar cane varieties and their culture; and T. T. Wang, Chief of the Taichung District Agricultural Experiment Station, Taichung, Formosa, his main interest being cattle and pasture improvement.

Rotarians Hear Gulf Oil Official

J. E. Preston, an official of the Gulf Oil Corp., with headquarters at Miami, was guest speaker at the Thursday luncheon meeting of the Pahokee Rotary Club.

Introduced by J. V. Thomas, the speaker, in keeping with the national observance of "Oil Progress Week," gave a talk on "The Oil Industry, Its Past, Present and Future." He said the United States controls 90 per cent of the oil production of the world, that 2,500,000 persons are employed in the oil industry in this country and approximately 5,000 different articles are being manufactured today from petroleum and its products. The speaker also told of the constant research work within the industry and the ceaseless search for new oil reserves. Last year 44,000 wells were drilled in the search for oil at a cost ranging from \$90 to \$150,000 per well, with some of the deepest reaching four miles into the earth. Oil is being produced in 27 out of the 48 states. In Florida a total of 132 wells have been drilled for oil to date but only those in Collier County are producing oil on a commercial basis.

President Elmer Jones presented Mr. Preston with a Rotary desk calendar in appreciation of his educational talk.

Jones appointed Ellsworth Keen, Vance Denton and Joe Alderman on the committee in charge of the food booth which the club will sponsor at the PTA Halloween Carnival Oct. 31.

Luncheon guests included Dr. Cecil Wadleigh, Washington, D. C.; Mrs. A. W. Ross, Live Oak; R. A. Richardson, Miami; A. E. Kirchner, Joe Friedlund, H. L. Speer, Hugh Bratley, Ralph Freeman, Dr. Roy Bair, Belle Glade; and Roy Spooner, Pahokee High School student.

TELLS A STORY...

Every month our employee magazine contains one or more pages of pictures of telephone employees who have been promoted to management. That speaks well of employee opportunity in the telephone business.

Management jobs at Southern Bell are filled by promotions through the ranks. Last year there were 819 promotions to supervisory positions. There were also 5,834 promotions to higher non-supervisory jobs, and 615 promotions to higher management positions.

This policy of opportunity and recognition for the individual employee means good management and better telephone service for you. Coupled with good pay, fair treatment and one of industry's best employee benefit programs, it explains why more than half of the employees we had 20 years ago are still with the Company.

Gus Johnson Will Speak To Baptists

Gus Johnson, Educational Director of the First Baptist Church of West Palm Beach, will be the guest speaker at Pahokee First Baptist Church services Sunday. Johnson was a successful businessman in Jacksonville after serving in the Navy during the last war. At the urging of his home church, the Main Street Baptist Church, he accepted the position of Educational Director. He served there until he was elected Associate Sunday School Secretary of the Florida Baptist Convention. After two years at this post he accepted his present position in West Palm Beach. He has served this church for three years.

The visiting layman is no stranger in Pahokee. In 1949 he conducted a Sunday School campaign in the local Baptist church and since that time has appeared on several programs there.

Rev. Hal Hunter, pastor, will return Tuesday, October 23. He will conclude a revival meeting in Richmond, Virginia this Sunday.

Miss Williams Weds John Nelson

Miss Delores Marlene Williams, daughter of Mr. and Mrs. J. E. Williams of Canal Point, became the bride of John S. Nelson, son of Mr. and Mrs. James S. Nelson of St. Augustine, at the Missionary Baptist Church in Canal Point Saturday, Oct. 18, at 5 p. m.

Vows for the double ring ceremony were read by the Rev. Clifford J. Smyly, pastor, as the couple stood before the altar which was decorated with floor baskets of white chrysanthemums and gladioli against a background of tropical greenery, and lighted by white cathedral tapers in branched candleabra.

The program of nuptial music was presented by Miss Carolyn Scruggs, pianist, and Miss Joyce McCall, soloist, who sang "Always," "I Love You Truly" and "The Lord's Prayer."

The bride, given in marriage by her father, wore a gown of chantilly lace over white satin and a fitted lace jacket. The full ballerina skirt had inserts of nylon net and her shoulder-length veil was held in place by a wreath of orange blossoms. She carried a white prayer book centered with a cluster of red rose buds.

Miss Dorothy Jean Casper of St. Augustine, maid of honor, wore lilac net over satin and a halo of flowers as a headress. She carried a bouquet of yellow rosebuds.

Velma Williams, the bride's sister, was flower girl. She was in pink lace and net and carried a basket of rose petals.

Charles Teahout of St. Augustine was Mr. Nelson's best man. John Williams, brother of the bride, and Pat Turbeville, both of Canal Point, served as ushers.

For her daughter's wedding Mrs. Williams chose a blue crepe dress with white accessories, a blue feathered hat and a corsage of pink carnations.

Following the ceremony, a reception was held at the home of Mr. and Mrs. A. R. Chastain in Canal Point. The Misses Marie Sapp and Ada Tillman presided at the punch bowl while the Misses Dorothy Chastain and Helen Tucker served portions of the wedding cake. Miss Patsy Maurer was in charge of the bride's book.

Following a brief wedding trip, Mr. and Mrs. Nelson will make their home in St. Augustine where he is employed by the Florida East Coast Railway Company.

Capacity Day Set For Sinclair Dealers

Saturday, October 25, has been designated as Capacity Day for Sinclair Dealers in this area. A. E. Kirchman local representative of Sinclair Refining Co. announced today.

On Capacity Day, all local Sinclair Dealers will compete in a one-day gasoline sales contest. The dealer attaining the greatest increase in sales on gasoline will be the winner and will receive the Sinclair Capacity Day Trophy Cup. Standing 22 inches high, the Cup is moulded along classic lines.

Special judges will visit each station at both opening and closing to check and verify gallonage sales for the event which will be held, as scheduled, rain or shine. While the contest is limited to gasoline sales, Mr. Kirchman emphasized that it will afford an opportunity to dealers to give the full line of services to new customers.

ON TEMPORARY DUTY

Dr. Ernst Artschwager, sugar plant anatomist with headquarters in the sugar beet area of New Mexico, has returned to Canal Point again this season for several weeks temporary duty at the Federal Sugar Cane Breeding Station. His wife, Mrs. Eugenia Artschwager, is here with him and they are stopping at the station guest cottage during their stay in Florida.

CLEWISTON (FNS).—The last decade has seen Florida grow more rapidly in beef cattle production than any other state. It now ranks 12th in the nation. One of the finest beef cattle in the world is produced at Sugar-

land Ranch, operated by the United States Sugar Corporation. For 10 years the USSC has carried on extensive cattle feeding experiments which have shown conclusively that feeding of blackstrap molasses is one of the best sup-

Hialeah Is Top Tourist Attraction

HIALEAH — As a community service, Hialeah Race Course has been selected by Dr. Reinhold Wolff, economics expert of the University of Miami, as the subject of a continuing study for the purpose of yard-sticking Florida's tourist attractions.

Operated as a free public park 45 weeks out of the year, Hialeah ranks as one of the top Florida tourist attractions after, as well as during, the racing season a preliminary survey shows.

Interviews checked on 587 of the 16,217 visitors to the grounds during the period of last July 12 through 18.

They found that 354 were in Florida for the first time and 413 in Miami for the first time. The race course was one of the first places they headed for after arrival.

Visitors from New York led the field, followed by those from Illinois, Ohio, Pennsylvania, New Jersey and Maryland—geographically significant since the survey was made in mid-summer.

Dr. Wolff reports that a tabulation kept on give-away postcards at the race course during 1951 disclosed it had approximately 511,937 visitors in about 11 months of 1951. The figure does not include visitors to the track's racing season.

VISITS CANE STATION

Dr. Cecil H. Wadleigh, Head Physiologist in Charge, Division of Sugar Plant Investigations of U. S. Department of Agriculture, Washington, D. C., was a prominent official visiting the Federal Sugar Cane Breeding Station at Canal Point last week. Dr. Wadleigh is Director of Research for the Canal Point station and for numerous other sugarcane and sugar beet field stations in different sections of the United States. While in Florida, he visited other experiment stations where sugarcane research is being conducted and also conferred with several officials of the Florida Sugar Industry.

Elizabeth Ryals In Pahokee On Leave; To Go To Iceland

Miss Elizabeth L. Ryals, 20, a member of the U. S. Air Force, is spending a month's leave with her mother, Mrs. O. G. Ryals, in Pahokee before leaving for a year of overseas duty in Iceland.

Miss Ryals, a graduate of Pahokee High School Class of 1948, was employed as office secretary at the Drainage Districts office in Canal Point before resigning to join the USAF Nov. 15, 1951. She received her basic training at the Lackland Air Force Base in Texas and for the past few months has been stationed at the Westover Air Force Base in Massachusetts.

Following her visit here she will report at Camp Kilmer in New Jersey for processing and then will return to the Westover Base where she will be joined by 40 other WAFs in the first group of Air Force girls to be sent to Iceland for overseas duty. The group will be stationed at the Keflavik Air Base in Iceland.

**NOW YOUR U. S. SERIES E BONDS CAN EARN INTEREST
10 EXTRA YEARS**

ALL YOU WISE and patriotic people who bought United States Series E Bonds ten years ago and have held them can benefit by this new law! For according to this law the bonds you expected to mature finally in 1952 can now continue to earn interest every year for ten more years—till 1962—without your even lifting a finger!

To get this extra money, there's absolutely nothing you have to do. Just hold your bonds and let them go on earning!

If you wish, you may still cash any Series E Bond at any time after you've owned it for sixty days. But you'll be better off to hold your bonds, just as you're better off to hold savings in any form.

First of all, as long as you don't cash your bonds, you don't have to pay income tax on the interest they earn. In the second place, cash in the pocket melts away fast—often with little or nothing to show for it. But cash in bond savings is always there—growing steadily toward the big sum which can buy something really worthwhile . . . And remember—the interest rate on Series E Bonds has been increased to 3% compounded semi-annually, when held to maturity.

So if you have bonds coming due, why not take advantage of your extra-income opportunity? Just sit back and let them go on mak-

ing more money for you. And meanwhile keep adding to your cash savings by buying more U. S. Defense Bonds regularly—through the Payroll Savings Plan where you work. It's the easy, systematic saving plan that's so helpful because it lets you save before you even draw your pay. Thousands on the Plan say it's the one sure way to save.

3 NEW MONEY-MAKING OPPORTUNITIES FOR YOU!

*New Series H, J, and K
Defense Bonds pay 2.76% to 3%!*

If you want to get the interest on your bonds in the form of current income, or if you want to invest more than the annual limit for E Bonds, ask at any Federal Reserve Bank or Branch about these new bonds:

SERIES H. A new current income bond, available in denominations of \$500 to \$10,000. Sold at par. Matures in 9 years 8 months and pays approximately 3% interest per annum if held to maturity. Interest paid semiannually by Treasury check. Annual limit, \$20,000 maturity value. Issued only by Federal Reserve Banks and Branches and at the Treasury.

SERIES J. A new 12-year appreciation bond, available in denominations of \$25 to \$100,000. Sold at 72% of par value. Pays 2.76% compounded semiannually if held to maturity. Annual limit, \$200,000 issue price jointly with Series K Bonds.

SERIES K. A new 12-year current-income bond in denominations of \$500 to \$100,000. Pays interest semi-annually by Treasury check at the rate of 2.76% per annum. Sold at par. Annual limit, \$200,000 issue price jointly with Series J Bonds.

Pahokee Celebrates Pioneer Day

The Pioneers of Pahokee were honored at a special "Pioneer Day" program, and covered-dish dinner held at the city park Sunday afternoon in celebration of the 30th anniversary of the founding of the city of Pahokee.

The program was sponsored by the Pahokee First Methodist Woman's Society of Christian Service as part of the activities of annual homecoming day at the church, with the entire community invited to participate in the pioneer day program. Mrs. Arch Blakey, WSCS president, was in charge of general arrangements.

County Commissioner Paul Rardin of Canal Point acted as master of ceremonies and speaker. Mr. Rardin told of the early industries that existed in the Lake Okechobee area before the start of vegetable growing. He said the first industry was the catching of Indians for the government around the 1890's. This was followed by the lucrative but illegal industry of catching egrets for their plume feathers which went on for a decade from 1890 to 1900. After this, there was the fishing industry which was a thriving business for several years after 1900 and is still carried on today but on a much smaller scale. The growing of vegetables which started between 1912 and 1915, was given a tremendous impetus with the extension of the Florida East Coast Railway to East Beach in 1925, and W. H. Vann was the first broker to send a solid carload of green beans out of the Glades. The fifth industry that got underway in 1940 and is still expanding is the cattle industry, the speaker said.

Only those pioneers who are now living within the city limits of Pahokee, were given recognition on the program. The year of their arrival in Pahokee was as follows: 1910, Mr. and Mrs. Jim Upthegrove and C. A. Stuckey; 1911, Mrs. Florence Lindrose, Edward Jensen, W. J. Peacock and the late J. A. Peacock who died earlier this month; 1913, Ernest Lindrose; 1914, Mrs. Alice Moran, Mrs. Adeline Stuckey, Duncan Padgett and John Padgett; 1915, Dr. and Mrs. L. W. Armstrong and Mrs. Pauline Rice; 1916, Mrs. J. T. Guerry; 1917, Mrs. L. J. Levins, Marvin Levins, Dr. W. H. Lair, Mr. and Mrs. I. S. Guthrie, Leon Guthrie, Olive Levins, Frank Friend, Lewis Friend, J. E. Cochran, Sr., H. J. Anderson, O. B. McClure, Mr. and Mrs. J. R. Pickren, R. J. Simonson, Mrs. Julia Butler, C. L. Wilder, Mrs. Minnie L. Hughes, Mrs. W. J. Peacock, T. W. Knight, Will Hull and Essie Cranford; 1918, Sadie Barwick, Marjorie Mock, Nola Smith, J. V. Thomas; 1919, C. M. Todd, Mr. and Mrs. Ed Unwin, W. V. Unwin, Carmen Salvatore, Sr., Jim Mizell; 1920, Mr. and Mrs. L. I. Maloy, Annie Merle Carter, Mrs. Bertha Bass Stirling; 1921, Mrs. W. H. Lair, Marshall Lair, R. E. Boe Olaf Boe, Hugo Boe, Mr. and Mrs. R. J. Schroder, Mrs. C. A. Shive, Mrs. Geraldine Grimes, Mrs. Lillian Padgett; 1922, Mr. and Mrs. L. T. Keen, Park Keen, Mr. and Mrs. R. J. Crews, Mr. and Mrs. J. B. Elliott, B. Elliott, Thomas Elliott, Mrs. Juanita McLarky, Mrs. Bennie Allen, Mr. and Mrs. H. C. Graham, G. C. McLarty, Leo Maxwell, Clarence Maxwell, Ralph Maxwell, Ernest Maxwell, Wilbur Maxwell, Mrs. Sue Mead, Mr. and Mrs. W. J. Larimore, Mr. and Mrs. J. B. Crosby. Mrs. Blakey presented gifts to Mrs. Alice Moran, whose son, Dan Padgett, was the first baby born in Pahokee, and Mrs. Florence Lindrose, mothers of the two oldest Pahokee pioneer families. Special recognition was also given to C. M. Todd, one of the first school teachers; Dr. D. S. Spooner, the first physician, who is convalescing at the local hospital and was unable to be present; W. J. Larimore, the pioneer eldest in years; Mr. and Mrs. Jim Upthegrove, the oldest married couple, and Mrs. Sue Shirley, granddaughter of the late Rev. C. C. Cecil, who organ-

ized the first church in Pahokee.

Robert O. Lampi, baritone, sang "When You and I Were Young Maggie" and "Home, Sweet Home." Taps in memory of the deceased pioneers were sounded by Philip Dulany, member of the Pahokee High School Band. Pahokee's 31th anniversary cake was cut by Mayor Lewis Friend.

Preceding the program all of the pioneers and the Rev. A. J. Henry, homecoming speaker former pastor of the Pahokee First Methodist Church, now retired, were guests of honor at the big dinner served on the park grounds by the ladies of the WSCS.

Mr. and Mrs. Inman W. Weeks were business visitors in the Pompano area Monday afternoon.

Blue Devils Take Game From St. Ann

The Pahokee Blue Devils spearheaded their first victory of the season Saturday night when they broke loose in the fourth quarter to overwhelm the St. Ann Crusaders, 26-12, in a non-conference struggle at Cooley Stadium, West Palm Beach.

Coach Webb Pell's men, however, are still counting goose eggs in the Supacoast Conference cellar with the Stuart Tigers as they return to conference competition this Friday night, traveling to the East Coast for a game with

the Fort Pierce Eagles.

The Eagles are tied with the Lake Worth Trojans for runner-up position in the conference, with a conference record of 2-0-2 to date, as compared to Pahokee's 0-3-0. The slick Eagle backfield combination of Quarterback Tom Kuhn, Tailback Bruce Dixon and Halfbacks Frank Cheatham and Billy Childress will be hard for the Blue Devils to stop, but it can be done as the Clewiston Tigers demonstrated last Saturday in holding the Eagles to a 6-6 stalemate.

The Blue Devils showed considerable improvement in their ground attack in the St. Ann's game but still appeared weak in aerial offense and defense. Pahokee got its first touchdown in the second quarter when Bill Hatton broke

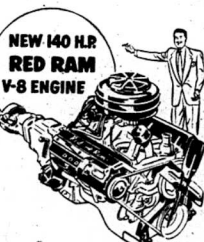

loose for 37 yards and Hal Rosenberg swept the line for the point.

Masquerade Party

Members of the Pahokee Elementary and High School faculty and their guests plan to enjoy a Halloween masquerade party in the school gymnasium this Saturday night, Oct. 25.

Typical Halloween refreshments, including cider, popcorn, doughnuts, apples and candy, will be served and the gym will be gay and spooky with Halloween decorations and costumes. The committee in charge of arrangements includes Mrs. Kathryn Cunningham, Mrs. Herbert Miller, Miss Connie Smith, Marvin Thompson and Mrs. Walcott.
